**SONOS IMAGING OPEN HOUSE**

*Sonos Imaging opens first location in Prattville, AL*

**Prattville, Alabama- March 1, 2016** – Sonos Imaging will have an Open House and Ribbon Cutting in Prattville on March 15<sup>th</sup>, 2016 11:00am-1:00pm. Sonos Imaging is proud to have Dr. S. Dale Brawner, Dr. Anne B. DeAtkine, Dr. Patrick D. Grant, and Dr. Ben G. McDaniel Jr. take the reins as Prattville’s leading radiologists, providing unsurpassed care to patients of all ages.

Sonos Imaging is located at 2715 Legends Parkway in Prattville, Alabama next to Lemak Health and across from Home Depot – a great location that allows the Prattville community convenient access to some of the best imaging technology in the country. Sonos Imaging is home to the Optima MR450w 1.5T MR system that was designed to help maximize comfort and technology. The radiologists will provide patient care for a variety of imaging needs. Each radiologist is also fully committed to being involved in community events.

Dr. Dale Brawner is an Alabama native and completed his medical degree, internship, and radiology residency at the University of Alabama School of Medicine and UAB Medical Center. Dr. Anne DeAtkine completed her medical degree at the University of Texas Southwestern. She completed her radiology residency training and fellowship in abdominal imaging at Duke University. Dr. Patrick Grant received his medical degree from the University of Alabama School of Medicine. He completed his diagnostic radiology residency at UAB Medical Center and his musculoskeletal and Sports Medicine Imaging fellowship with Radiology Associates of Birmingham. Dr. Ben McDaniel Jr. received his medical degree from Mercer University School of Medicine and he completed his diagnostic radiology residency at Baptist Medical Center in Birmingham, Alabama.
